

# Join the Mississippi River Parkway Commission's 70th Anniversary Geocaching Event!

Find special 70th Anniversary Event caches located throughout the ten Mississippi River states. Use this card to record the special code indicated in each cache. To be eligible to enter the grand prize drawing, you must find at least 10 caches, with one cache from at least three different states. Your name will then be entered into the drawing for each state in which you found a cache.

If you find ten 70th Anniversary Event caches in ten different states, you'll be entered the maximum ten times!

Remember, only special 70th Anniversary Caches qualify. Must be 18 or older to enter.

For a complete list of 70th Anniversary cache coordinates and contest rules, visit [www.experiencemississippiriver.org](http://www.experiencemississippiriver.org).
